**INFORMATION DISCLOSURE STATEMENT**

Dear Sir:

Applicant(s) and their agents/attorneys are aware of the following publications and information listed on the attached PTO form 1449, and in accordance with 37 C.F.R. § 1.97(b) hereby submit these publications for the Examiner's consideration. A full copy of each cited

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claim in the application and applicants determine that the cited documents do not constitute "prior art" under United States law, applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of such documents.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

No additional fees are believed to be due in connection with this submission, however, the commissioner is hereby authorized to charge any underpayments or credit any overpayments to our Deposit Account No. 18-1945.
